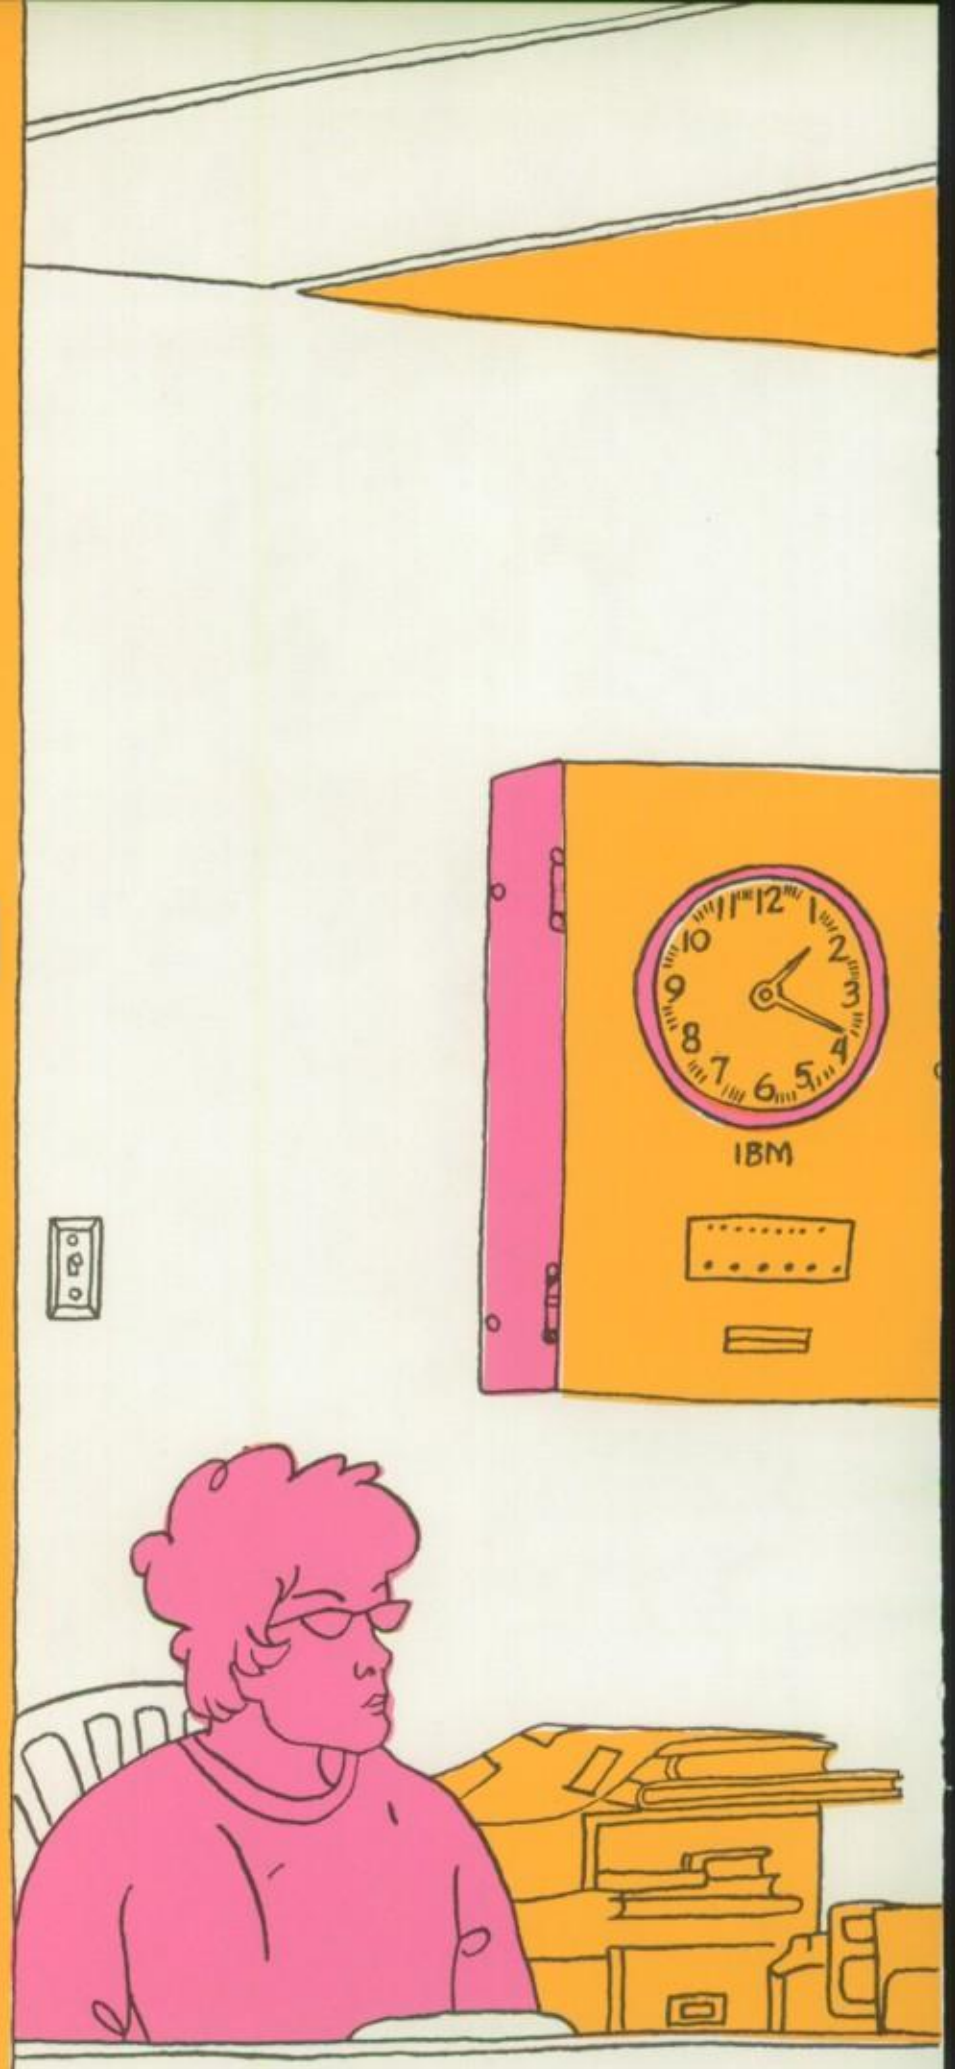
ADMINISTRATION



Hi Linda,
I sure am glad that I had you in so many classes this year. You have been fun to talk to and also a good person to gripe about the grades with. I hope we have as many classes together next year. Have a wonderful summer. Love Carolyn Glenn

Linda,
I only had you in roll room so I didn't get to know you too well because it is so short. It was fun knowing you and by the time we are seniors we should know each other well after 3 years of roll together. See you next year.

Linda,
I will sign it here because these are my favorite people - HA
It's been fun in band, I don't know what I'd have done without you. I hope we're in more classes than just this one next year. Be good & keep up the clarinet and especially the Spanish.
Stay good, kind, cute and fun (or try anyway to start on them)
Luv
Karen

Linda,
Too bad we only had roll together this year. Maybe next year. Better luck anyway. Lets see you in class. Love + Luck always

Linda,
Well our year in Cadet Band is about over and I must say it had its good and "bad" points. But on the whole I had a very good Junior year and I hope yours is just as good as mine was.
Next year when I see you I'll be a big Senior and you will be a big Junior. I can't believe this year has gone so fast but next year will go even faster.
Have fun this Summer & I'll see ya next year!
Love ya,

It was fun having you in band even if you do play better than I'll ever be! Oh well, that's the way it goes! Are you going to be in Concert Band next year? It should be fun, yet a lot of work. If this was a difficult year & it makes me wonder if I can stand two more years. Enjoy your summer - see ya next year!
Best of luck,
Barb P.

CLASSES

Hi Linda!
Well today is a pretty day & it even makes me think more of summer. Its been really great having you in English & C.C.D. - I'll! Have fun! Be Good!
Kathy Engle

Linda,

I was very glad when I found out that I didn't have any classes with you and got in Mrs. Bl[illegible] class. I really don't have any thing to say but I want to take up a page. I really hate writing letters. I just got my report card and P.E. is all ready marked with a 'B'. I think Miss Bl[illegible] made a mistake. Linda I'm sorry about my hand writing and I have cramps. Besides I have cramps. Well another year has ended and it has, all just about a year old. I'm glad that that you got into Mrs. Pat because she is really a nice kid and little nuttie and funnie but she is really sweet and nice and so are you Linda your a real true friend, sweet, nice and very funny. Stay that way and I'll see ya sometime over the summer. Be good to all the boys and don't play too rough with them. Play don't do anything that I wouldn't do and don't do anything that I wouldn't do and don't do anything that does not [illegible] your much room.)

Be good.

Love ya always

Linda

Linda -

I'm glad I got to meet
you this year cause you're
really swell. It's been a blast
in English with you in my
class you seemed to know
all about Green Mansions whereas
I was slightly confused. The
play at U. P. S. was really terrific
and I'm glad you went because
I would not have had anyone to
sit by that I knew too well. I hope
to have more classes with you
next year as this year we only had
one good duck in the future.
Have fun this summer (come over
and see Janie and me D.K.?)

Linda,
All except for the memories of Card Engle & the donut shop its been a pretty groovy year. If it wasn't for the fact that you're a mere sophomore and I'm your favorite people. Not many people can't blame them - what rank but I guess you'd be one of my favorite sister, you'd be one of my favorite peoples. Not many people can't blame them - what I'm going to give you a break! Tell you what I'm going to write next years Rod which won't be very hard to do.
Soc it to us)

P.S. I was going to write love but might read this & blush.

Hi Linda,
It's really been a blast having you in P.E. and geometry. It was a lot of fun struggling through swimming together. Just think, no more Miss Blaser! Next year will be big juniors and I hope we're in lots of classes together. Maybe this summer we'll see each other but if we don't have fun. Good Luck always
Love
